2017 Grape List

We have top quality wine grapes available from some of the best vineyards in the region. **I expect an early harvest again this year. Please place your order as soon as possible.** The grapes will be delivered to 755 E. Brokaw Rd., San Jose.

The grape prices include destemming and crushing on our professional stainless steel stirring destemmer with a must pump. The grapes will be tested to determine the pH, titratable acidity, and the Brix. I can also make recommendations regarding appropriate yeasts, nutrients, enzymes, acid additions, malolactic bacteria and other additives necessary to produce excellent wines.

I will call you to schedule a pickup time as soon as the vineyard manager determines the harvest date. I usually receive 24 - 48 hours advance notice. Those who order first will be contacted first to select a pick up time.

All deposits will be returned if we cannot obtain the quality or variety of grapes described. Orders can be placed at the store with cash, check or credit card. Orders can be placed by mail with a check.

Store hours: 11-6 Tuesday - Friday & 11-3 Saturday - Sunday. Store is closed Monday.
